TWO DESERT MODERN HOMES | ONE TICKET | APRIL 8-18, 2021

Palm Springs Life has partnered with the Kappe family, Sean Lockyer and the developer of the Desert Palisades neighborhood to bring these homes to the public eye with exclusive tours during Modernism Week, April 8-18, 2021. The completion of the Kappe Palm Springs house in 2021 will undoubtedly realize one of the most significant architectural events to happen in Palm Springs in several decades, while the Lockyer home provides an opportunity to see an outstanding example of new Desert Modern Design.
